

Robin Cohen provided commentary to Forbes article “Financial Ramifications of Coronavirus Canceling Tokyo Olympics Would be Massive”

Robin Cohen spoke with *Forbes* regarding their article “Financial Ramifications of Coronavirus Canceling Tokyo Olympics Would be Massive.” The article discusses the IOC and Tokyo 2020 taking out insurance policies and the question of if the postponement of the games qualifies as an event that is covered and the “many hurdles that the insurers will force the Olympic organizers to go through to collect on their insurance policies.” Read the entire article [here](#).
